

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

The Figures from 1 to 12, under the Characters, denote the Month of the Survey in the Year 1799. Those Ships that have 97, 96, &c. under their Characters, have not been surveyed since those Years.

*The REGISTER-BOOKS should be posted every Week: and it is requested that the Members will be particular in delivering them when they are called for, as otherwise the Office cannot be responsible for their Contents.*

# KEY TO THE REGISTER-BOOK FOR 1800.

---

The Vessels marked A are of the First Class.

Ditto	—	E	—	Second ditto.
Ditto	—	I	—	Third ditto.
Ditto	—	O	—	Fourth ditto.
Ditto	—	U	—	Fifth ditto.

---

The Materials of the Vessel with the Figure.

1	are of the First Quality.
2	— Second ditto.
3	— Third ditto.

---

The Figures 1, 2, 3, &c. in the 5th Column, denote the Vessel to be in the 1st, 2d, 3d, &c. Year of her Age.

The Year 1800, in which Ships are built, repaired, &c. is expressed by 00.

When the Ages of Prize-Vessels cannot be ascertained, FP, SP, or DP, is put in the Column for the Age, to denote the Nation from whom they have respectively been captured. And, when the Surveyors can ascertain their Age to be less than Three Years, AN is put into the Column for the Age, to denote that the Vessel is almost new.
